### *What is legacy?*

The Golden and Golden Gate Foundation's mission is to honor young women who want to serve the community, become leaders and strive to be an example through exemplary acts of achievements whether through athletics, academics, civic engagement or displays of keen moral judgment.

This foundation was created to honor a dynamic legacy of love, leadership and service in a local and impactful way.

Please appreciate this package as an invitation to be a part of an incredible beginning on a journey of accomplishments.

We are seeking partnerships with other civic minded and community oriented programs, organizations and foundations as it truly adapts the "It takes a village mantra"

Through evidenced based programming and culturally sensitive and aware assessments, we know progress is possible. As my grandmother stated on the night she won the highly sought after and contested seat for Mayor of Daytona after learning of her historic win "We kicked butt" A little lesson in humility but this has become the battle cry of our *legacy*.

# KROMA

Presents

"Legacy doesn't just happen. It is a conscious effort to protect and effect"

The Golden Inspiration

And motivation

**Mayor Yvonne Scarlett-Golden**  
*Mayor Golden, as she was affectionately called was a lifelong education advocate and community activist. Though she spent most of her adult years as an educator, Principal and teacher, the Grandmother of 6 and then great grandmother of 8 never lost a political race as she successfully had two terms as commissioner and nearly two complete terms as Mayor of Daytona Beach Florida. Though a bout with cancer ultimately took her away from completing the second term, the procession through Daytona Beach's surfside drew out hundreds to applaud the Mayor who united a city with a vision*

**Rosalyn Maurice Golden**  
*The mother of five, 4 daughters and one son. Instilled the appreciation for Education with all five of her Children. With weekly trips to the library, church and Community building activities she Personally arranged, Rosalyn lived to see all 5 of her children enter higher Education. Though she passed away before seeing all of her children Graduate college, this message as she often quoted her Favorite saying resonated*

## Golden Partnerships-Commitment to legacy

### In Faith

Pastor Cathy Felber- Formerly of First United Methodist Church

Sandy Walker- Gospel Truth Publication

Pastor Cassandra Shepherd—Food Source

Sonia Scott Greater -Saint Paul Administrative Services and Ministries

### In the field
